PRESIDENT'S REPORT

Vitay Kaitinis

The year ahead will continue to present significant challenges for not-for-profit organisations operating in the aged care sector — particularly for small to medium-sized providers. The ability of these organisations to adapt and respond effectively will be critical in determining their future sustainability and success.

The introduction of the new Aged Care Act will have far-reaching implications for both service providers and participants. As the financial and operational impacts of the reforms become clearer over time, further adjustments to regulations and guidelines are expected. This ongoing evolution will require organisations to remain flexible, responsive and committed to continuous improvement to ensure their financial viability.

Workforce shortages are also anticipated to continue across the sector, with growing demand for services placing additional pressure on recruitment and retention. As a result, there will be an increasing focus on technology and innovation to enhance efficiency and support service delivery — areas where ongoing investment will be essential.

While the challenges ahead are considerable, Liberty Community Connect is well positioned to meet them. With a strong foundation, dedicated team, and clear focus on our core purpose, Liberty will continue to identify opportunities, strengthen governance, and ensure long-term sustainability.

Finally, I would like to acknowledge and thank Ruth Clark, who recently stepped down from her role as Liberty's CEO. During her time with the organisation, Ruth demonstrated exceptional dedication to Liberty's values and mission, fostering a culture of integrity, collaboration, and care.

On behalf of the Committee of Management, I extend our sincere gratitude to Ruth for her outstanding contribution and wish her every success in her future endeavours.

CEO'S REPORT

JANOMIE PENTREATH

Hello, I'm Janomie and I'm delighted to introduce myself as the new CEO of Liberty.

Since joining the organisation, I've been genuinely touched by the warm welcome I've received from clients, families, staff and volunteers. It's clear that Liberty is more than just a Service Provider, it is a community built on care, respect and connection.

As of 1 November 2025, new Support at Home rules have come into effect. For those receiving a Home Care Package, our team will be in touch to update your care plan and service agreement. We'll take the time to sit down with you, go through the changes together and make sure your supports continue to reflect your needs and preferences.

For those receiving services through the Commonwealth Home Support Programme (CHSP), there will be no immediate changes. CHSP will transition to the new model at a later stage, so your daily routines and services will continue as usual for now.

My focus for the coming year is simple but meaningful; to excel in the small things. In practice, that means being punctual, keeping promises, returning calls and following through. These small acts of consistency and reliability form the foundation of great care.

We will be working to maintain stable rosters, reduce repetitive paperwork and make it easier to book support or adjust visit times. We'll also keep our clients and carers better informed so everyone feels connected and confident in the support we provide.

Another key priority is to strengthen our sense of community. We will be inviting more local volunteers to join us and increasing opportunities for social connection, both at the centre and out in the community. Whether it's through group activities, outings, or shared interests, we want to create more moments of joy, friendship and choice for everyone we support.

If you see me at the centre or out and about, please don't hesitate to say hello, I'd love to meet you.

Thank you for the trust you place in Liberty and for welcoming me so warmly into your homes and your lives.

Janomie

**Independent Auditor's Report
To the members of Liberty Community Connect Inc**

Opinion

We have audited the financial report of Liberty Community Connect Inc (the Entity), which comprises the statement of financial position as at 30 June 2025, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the responsible entities declaration.

In our opinion, the accompanying financial report of Liberty Community Connect Inc, is in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 June 2025, and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of the entity for the year ended 30 June 2024 were audited by Cowlshaw & Co who expressed an unmodified opinion on those financial statements on 15 October 2024. As part of our audit of the current year financial statements, we have not audited or reviewed the prior period financial statements and accordingly, we do not express an opinion or any form of assurance on those financial statements.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution

We draw attention to Note 2 of the Financial Statement, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Information

The responsible entities are responsible for the other information. The other information comprises the information included in the registered entity's annual report for the year ended 30 June 2025 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Other Information (continued)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Responsible Entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the Members. The responsible entities' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

The responsible entities are responsible for overseeing the registered entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of the auditor's report.

Independence

We confirm that the independence declaration required by the ACNC Act, which has been given to the responsible entities of Liberty Community Connect Inc, would be in the same terms if given to the responsible entities as at the time of this auditor's report.

TREASURERS REPORT

James Schmidli

For the 2024–2025 year, Liberty recorded total income of \$4,785,752, an increase from last year’s income of \$4,585,499. The most significant sources of revenue were Commonwealth-funded grants, Home Care Package income, contributions from clients, and program subsidies. Interest income also remained steady, supported by competitive returns on term deposits.

Total expenses for the year were \$5,117,544, an increase from \$4,910,682 in the previous year.

The largest expenditure area continues to be employee benefits, reflecting both the staffing required to deliver high-quality services and the rising cost environment in which the sector operates.

Depreciation, insurance, administrative costs, and program-related expenses also contributed to the overall cost of service delivery.

As a result, the Liberty recorded a deficit of \$331,792, closely aligned with the previous year’s deficit of \$325,183. While recurring deficits remain a concern, the Committee notes that the financial performance for the year was broadly consistent with expectations.

Despite the operating deficit, Liberty’s balance sheet remains stable.

Total assets at year end were \$3,817,794, consisting primarily of cash reserves and term deposits, receivables, and property, plant, and equipment.

Total liabilities were \$555,071, comprising trade payables, employee benefit obligations, and contract liabilities.

Net assets stood at \$3,262,723, reflecting a decrease due to the current-year deficit.

Liberty maintains a strong liquidity position. Cash and cash equivalents increased to \$654,126, and a further \$2,554,836 is held in term deposits earning an average interest rate of 4.13%. These reserves continue to support our capacity to manage future financial obligations.

Net cash from operating activities improved to a positive \$50,400, compared with a cash outflow of \$57,781 in the previous year. This reflects careful management of receipts, grants, and payments throughout the year. Liberty also generated net cash inflows of \$107,953 from investing activities, largely due to term deposit movements.

Overall, cash increased by \$158,353, demonstrating strong short-term financial resilience.

The Committee are dedicated to ensuring Liberty’s financial position remains strong going into 2026.

James

The Committee Would like to thank James for his service as Treasurer for the 2024–2025 Financial Year

LEA'S NEW CHAPTER

Long-time Liberty client Lea (right) has recently taken an important step in her care journey, transitioning from the Commonwealth Home Support Programme (CHSP) to a Level 3 Support at Home Package. This change means Lea can now receive more tailored support, something that's helping her stay independent and comfortable in her own home.

Lea has been part of the Liberty community for over 10 years and is well known to many of the staff and clients.

Born in Albury as a twin, Lea moved to Melbourne as a young woman to follow her passion for singing. Her opera career led her and her sister Zoe to the Gold Coast, where they performed with local theatre groups and joined the original Golden Girls, a well-loved musical group in the area.

It was also during this time that Lea met her husband, Brian, a talented and respected musician. Lea and Zoe remained close throughout their lives, even sharing a home for over 30 years. Their shared love of music and performing helped shape the joyful life they built together.

Now at 87 Lea recognised that she needed a little more help day-to-day. Through her Level 3 Package with Liberty, she now receives Personal Care, Domestic Assistance, and Social Support, all designed to meet her individual needs.

Lea still lives at home with her two much loved cats, Mr. Tiggy and Lily. In the evenings, she enjoys winding down by listening to classical music, a soothing reminder of her lifelong connection to the arts. She also enjoys frequent visits from family and friends, which keep her feeling connected and supported.

Liberty is honoured to support Lea through this next chapter, and we're grateful she continues to be a valued part of the Liberty family.

If you would like to know more about Support at Home packages, please contact, Rowena or Sally at our office: 07 5578 1668.

CELEBRATING A CENTURY

IRENE TURNS 100!

On 6th November, Liberty had the privilege of celebrating a truly remarkable milestone, Irene's 100th birthday!

The day was filled with laughter, music, and heartfelt moments as staff, volunteers, and fellow clients came together to honour Irene's incredible journey. Councillor Peter Young joined the festivities to share his warm wishes, while Irene proudly brought along her special letter from the King, a treasured keepsake marking her milestone in royal style.

She was showered with presents, cards, and heartfelt messages from everyone at Liberty, creating a celebration filled with joy. Irene's bright smile and sparkling personality lit up the room, reminding everyone of the importance of community, connection, and celebrating life's milestones.

Her centenary is not just a milestone, it's a testament to a life full of love, joy, and community spirit and we were honoured to celebrate it with her.

From all of us at Liberty, we wish Irene a very happy 100th birthday and look forward to sharing many more celebrations and special moments with her in the years ahead.

Out and About

INTRODUCING SUPPORT AT HOME

At Liberty, we know that home is where you feel most comfortable. Support At Home (Formally Home Care Packages) is designed to help older Australians stay safe, independent, and happy in their own homes for as long as possible.

A big part of this support is something called care management. This is how we help coordinate and keep track of your care and services, making sure everything runs smoothly and continues to meet your needs.

What's Changing from November 2025

The government is introducing a new system called Support at Home (Replacing what we know to be Home Care Packages). Support At Home aims to make care more consistent and easier to understand.

Here's what's new:

- Providers will need to record and document all care management interactions.
- Funding will be split into three parts: services, assistive technology, and home modifications – with set limits for each.

It is designed to ensure that every dollar of your package is used transparently and in ways that directly support your wellbeing.

Our Promise to you:

At Liberty, our caring team are here to make sure you feel supported every step of the way.

What Care Management Really Means

Care management is about you, your goals, your independence and your peace of mind. It includes:

1. Care Planning: creating and reviewing your personalised care plan.
2. Service Coordination – making sure everyone involved in your care is on the same page.
3. Monitoring & Reviewing – checking in regularly to make sure your care continues to suit your needs.
4. Support & Education – helping you and your family understand your options and make informed choices.

Examples of Care Management in Action

Our care management team can help you by:

- Reviewing your care plan or budget with you
- Arranging case conferences to discuss your needs
- Providing advice on health and safety
- Helping you explore new options or make confident decisions about your care

If you would like to find out more, please talk to our friendly staff on: (07) 5578 1668.

An older lady was standing at a rail of a cruise ship holding her hat so it wouldn't get blown away by the wind.

A gentleman approached her and said "pardon me, madam, I do not intend to be forward, but did you know that your dress is blowing up in this wind?"

"Yes," said the lady. "But I need my hands to hold my hat".
"But madam," he said, "you must know that your derriere is exposed!"

The woman looked down, then back at the man and said, "Sir, anything down there is 85 years old, but I just bought this hat!"
